Initiator and leader – Lions Club Gedania Gdańsk invites you to cooperate in a project named:

„Korczak’s gardens”

This project is intended to be realised internationally. It’s about creating playgrounds, squares and equipment designed for rehabilitation and places for children to rest among flowers and greenery.

The beneficiary is the J. Korczak’s¹ Child Care Home placed in Gdańsk, Abraham 56 street. The owner of this Home is the Marshal of the Pomeranian province.

Currently staying at the Home are 46 children aged from 0 to 12. All of them are disordered and disabled. A 24-hour care is delivered by 42 staff members (tutors, doctors, physicians, nurses, chefs, cleaners, groundkeepers).

In 2015 LC Gedania Gdańsk paid for 152 hours of many types of therapies and has provided the Home with professional kitchen equipment. The LC has also initiated and compiled the preliminary program for arranging and building rehabilitation squares and playgrounds, chose and emerged the organizational and technical manager. For preparations of the project (technical project, preliminary works) the owner designated 10.000 euros in 2015. If you would like to know more about this Home, here’s its website – www.domjkorczaka.com.pl

WHAT WE’RE ABOUT TO DO?

Annexed to this document you can find a map showing the Home and the designed garden. The technical project is going to be finished by the end of October 2015. After translation to a desired language it will be delivered to any of you who will be interested in. The annexed drawing shows the initial action programme. The estimated cost is around 150.000 Euros and it is the first stage of the project.
